

WORLD'S BEST WINE CELLAR UNDERNEATH US..

Since 1979 hotel owner and wine enthusiast, Jan-Bruse Andersen, has spent a lot of time and effort to achieve the dream of building one of the greatest and most complete wine collection in the world...

Today we are proud to have one of Scandinavia's biggest and best wine cellar, with over 44.000 bottles underneath us and a wine selection that covers much of the wine world and has more than 6400 different labels!

We believe that wine has a story to tell and that each bottle is a unique experience, a unique feeling, that we are proud to share with you.

Here can you hear the story that the bottle has to say in different stages of its life, from the young exuberancy, to the more subtle character of a mature one; we are proud to give our wine the time it needs to develop all its potential, so that it can speak its story at the best of its ability.

Since 2017 the cellar have been in great care by Francesco Marzola, Nordic Sommelier Champion in 2018, as well as Norwegian champion in 2020. Together with the local twins Reidar R. R. Johansen and Robert Russel R. Johansen the cellar have reached new hights, as winners of World of Fine Wine "Wine list of the Year 2020" and Star Wine List "Wine list of the Year 2022"

Due to the time and care a bottle need to express itself once opened, we kindly ask to order at least the day before.

I hope you enjoy your story!
